## The Medical Consequences of Nuclear Weapons and Nuclear War

---

Saturday,  
December 5, 1981

Auditorium  
Medical Sciences Building  
University of Toronto

---

### Sponsored by:

Physicians for Social Responsibility  
(PSR/Canada), Inc.

Faculty of Medicine, University of Toronto  
International Physicians for the Prevention of Nuclear War, Inc.

"The splitting of the atom has changed everything save our mode of thinking, and thus we drift towards unparalleled catastrophe ..."

Albert Einstein

This symposium is designed to educate the physician about the medical consequences of nuclear weapons and nuclear war. A broad based and renowned faculty will contribute expertise to the discussions.

Physicians for Social Responsibility (PSR/Canada), Inc., is a nonprofit, charitable organization committed to public and professional education on the medical implications of advanced technology. Information on PSR activities is available by writing, PSR, Suite 406, 360 Bloor Street West, Toronto, Ontario, M5S 1X1, Canada. Telephone: (416) 922-7335.

PSR/Canada's 1st National Assembly will take place Sunday morning, December 6, 1981, in Toronto.
